Members of the public and the press are welcome to attend all Full Council and Committee meetings. Meetings are generally wholly open to the public but there may occasionally be confidential matters to discuss, for example staffing matters, when the public and press will be asked to leave for that section of the meeting. The agendas will make it clear if there are any such items, and they are usually taken at the end of the meeting. If members of the public have specific issues to raise at a meeting it would be appreciated if they could notify the Town Clerk in advance.
